

Late Registration Price Matrix

- The following pricing matrix and late penalties will apply to **all** members who are registering calves under these circumstances.
- Calves not registered by the month end after the month of birth are subject to the fee schedule below.
- Cattle may be registered after 12 months of age, subject to proven DNA parentage testing. Please note the fee that is quoted includes the parentage test for the calf only. The DNA typing of the Sire and Dam is £27.14 (inc vat, per animal), if not already on file.
- Please contact the Registration Department to process any registrations over twelve months of age as this cannot be processed online.
