FORWARD

The Headbrook Herd of Pedigree Simmentals is being sold as a result of Mrs. Mayglothing retiring from Farming.

Established over 20 years ago this is an excellent small self-contained herd which offers the buyer the chance to acquire a well-bred and well established herd.

The Cows have been bred for shape, good mothering and milking qualities and can be thoroughly recommended. The quality of the Bull, who sired the present crop of Calves and who is now running with the Cows, shows exceptional shape and conformation, which bodes well for the future of the herd.

There is a nice mixture of ages with over half being 1st, 2nd and 3rd Calvers.

The Cows have been running with Wroxall Vat-Man since 10th May.

For viewing please telephone Mr Edward or Mrs Pauline Mayglothing on 07733 308807.
